

Superior Document Printing....  
for a fraction of the cost!

### Why you should consider BQ's Managed Print Services (MPS)

- Over 90% of businesses don't know how many or what type of printers they have
- Over 60% of ALL paper documents in businesses originate through printers
- The average company does not know how to efficiently utilize their current fleet of printers
- Printing is spread across so many departments, very few companies know how much is spent on printers

### How does BQ's MPS program help you?

- Save up to 30% compared to current printing costs
- A single vendor with a single invoice
- 35+ dedicated service technicians
- Toner, Parts, & Service provided for all machines
- Reduce the load on your I.T. staff
- Replacement of printer if BQ cannot fix...No More Capital Expense
- We will make sure the 'right' printer is in the 'right' place!!!
